Prints: All prints are made on Ilford Galerie Smooth Pearl paper, unless otherwise specified. They are printed using Epson Ultrachrome K3 inks, which provide long-term permanence against fading and color shifts. I print all sizes up to 11 x 14 myself; sizes larger than this are available, with cost depending on the size.

Mounted prints are affixed to a white mat board (other colors can be used upon request), using either permanent adhesive or dry mounting tissue. Each print is then finished with a bevel-cut window mat.

	4 x 6	5 x 7	8 x 10	11 x 14
Unmounted	\$ 2.50	\$ 7.00	\$ 12.00	\$ 19.00
Mounted	\$ 5.00	\$ 10.00	\$ 22.00	\$ 41.00

Note Cards: All prints can also be ordered as note cards. A 3 ½ x 5 ¼ inch photographic print is mounted on a white 100-pound weight note card. The title and photographer are written in pencil beneath the photograph. For the six-box set, you can use any combination of images.

Single note cards: \$ 3.50
Box of six note cards: \$ 20.00
